

Prison Programme

Local Church Support

Did you know that people in prison are asking to study theology?

God is on the move in prisons, and in response to prisoners' requests, Westminster Theological Centre (WTC) has been running theology taster classes inside HMP The Mount since October 2024.

We have been hugely blessed by these sessions, and have observed that when people come to faith in prison, they often develop a rich, deep hunger to learn more about the Scriptures. We would like to invest in these people by offering them a university-validated, Level 4 qualification in Kingdom Theology from September 2026.

To this end, we are calling on local churches to partner with us financially so that we can take this programme to its next stage of development.

Your gift will serve to take our students deeper in their faith, build their confidence and self-esteem, and contribute towards keeping them out of prison once they have been released. In addition to this, we will connect your church to an individual prisoner whom you can pray for as they study.
